Explain the Joke

Why couldn't the pony talk? He was a little horse!

If everyone is laughing except you, this is the book you need! Discover 50 funny jokes and, more importantly, WHY they make people laugh? Sean Tomás Fleming, an ESL teacher, explores the plays on words, the double meanings, and the idioms that make up a significant part of English humour. By the end, you'll be laughing harder than anyone!

Softcover | 60 pages/book | 6.7"x8.35" | \$14.95/book
\$36.95/set of 3 books | ISBN: 978-1-998549-72-6

Black History ABC

Black History ABC shines a light on Black men and women who played important roles in Canadian history and the development of a modern society. From inventions to athletics to helping their peers escape slavery, this series commends the figures that history textbooks tend to forget.

Calm Down Counting

Even kids suffer from anxiety! This adorable book teaches the 5-4-3-2-1 method to ease anxiety and focus on the five senses in order to return to a more manageable state of mind.

Science Quest

AGES
8-12

About Science Quest

Science Quest is a collaborative publishing project between DC Canada Education Publishing and Singapore World Science Education. We share a belief in the wonders of STEM (Science, Technology, Engineering, and Mathematics) education and knowledge, and its power to grow young minds.

Our mission is to spark a thirst for scientific knowledge and discovery in young readers, encouraging them to pursue dreams, education, and careers in fields they may not have considered previously.

Price: \$69.95/set of 5 books | \$16.95/book

Dimensions: 7.48" x10.83"(190 mm x 275mm)

ISBN: 978-1-998549-86-3

The **Science Quest** series uses engaging stories in comic form to present concepts from the latest science education syllabus and beyond. The content comprises a variety of scenarios to showcase real-life relevance. The series includes feature articles with amazing facts and photographs to enrich the reader's experience.

We collaborated with scientists, academics, field experts, and writers to make STEM accessible and engaging for children with diverse interests.

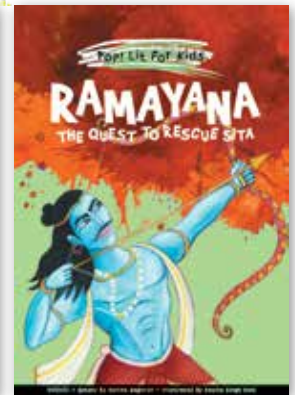

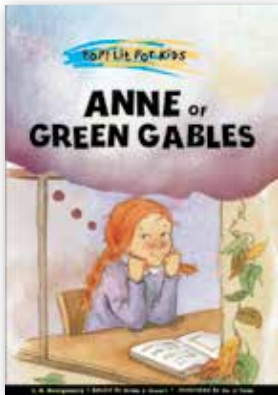

Unlock the mysteries of science, one quest at a time!

Grandma and Grandpa's Adventures

AGES
4-8

Grandma and Grandpa are always up for some fun! However, they often manage to get into trouble. The **Grandma and Grandpa's Adventures** series explores the lifelike journeys of clumsy, lovable Grandpa and confident Grandma. These hilarious and touching stories about family are the perfect read for ages 4 to 8.

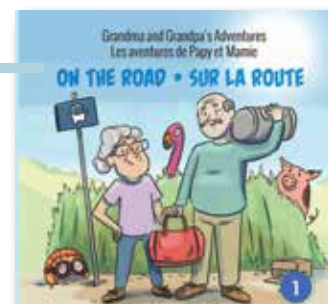

The adventures of Grandpa and Grandma will certainly entertain both children and grown-ups!

Bilingual | Softcover | 8"x8" | \$12.95/book | 46-52 pages/book
\$34.95/set | ISBN: 978-1-998549-32-0

In the book **The Sleepover**, the grandkids come over for a night of fun before Grandma's birthday the next day. But they couldn't have expected such chaos! Between fighting a groundhog and a bubble avalanche, will Grandma's birthday be anything more than a hilarious disaster?

In the book **On the Road**, you'll follow two grandparents who are eager to visit their grandchildren on a road trip that proves to be far more difficult than planned. Will they ever make it to their grandkids' house?

In the book **In the Wild**, the grandparents go camping with their grandchildren. Sometimes, children know a lot more than adults—especially silly ones like Grandma and Grandpa, who gets sprayed by a skunk! Will the family even survive such a crazy camping trip?

RELEASED IN DEC. 2024

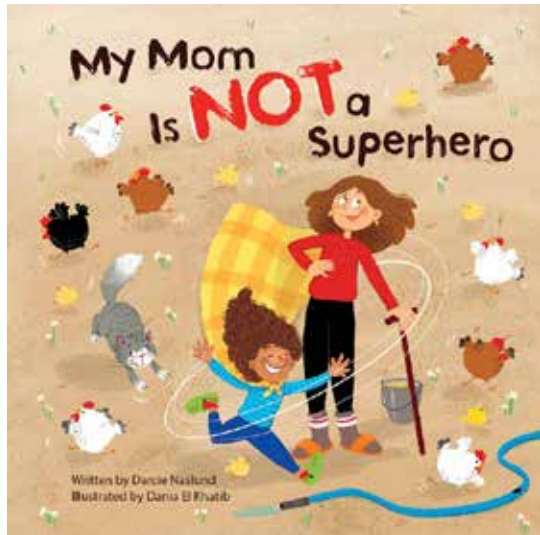

My Stories, My Times is a book written by Jean Chrétien that reflects on his career as a Canadian politician. The book includes stories about his interactions with other political figures as well as his time with his wife, Aline. Recounted with warmth, insight and humour, these brief and candid essays feature many behind-the-scenes stories from a long, distinguished, and colourful career.

The Chinese edition is translated by Jinsheng Xue and released in Dec. 2024.

One Story A Day for Science

AGES
8-12

One Story a Day for Science is a series of twelve books designed to develop scientific reflection, reading and comprehension, and a curiosity about the world in children aged 8 to 12.

Written by a team of Canadian professionals, these books comprise high-interest topics and motivational content relevant to 21st century scientific knowledge. They also encourage kids to love reading!

The stories engage with topics in physics, biology, chemistry, and earth science. Complete with thought-provoking questions and activities, this series is bound to encourage a keen interest in science and environmental awareness while developing a love of reading.

Each story is followed by:

- Glossary + word activity
- Fun facts about the topic
- Science/research prompt
- Comprehension quiz

Written by Dustin Milligan

Illustrated by Meredith Luce, Cory Tibbits,
and Jasmine Vicente

**AGES
6-12**

The Charter for Children series introduces children to the basic principles of the *Canadian Charter of Rights and Freedoms*. Each story is set in a different province or territory and addresses a different right or freedom in the *Charter*. The series seeks to empower children by providing them with a basic awareness of their rights and by fostering a respect for the fundamental values that Canadians cherish.

About the author

Dustin Milligan is a native of Tyne Valley, Prince Edward Island. He received a degree in history and political science from the University of Ottawa and a law degree from McGill University. He was called to the bar of Prince Edward Island in 2011.
