Children's Books, Games and More
for successful learning

978-1-77205-603-7

One Story a Day for Science is a series of twelve books designed to develop scientific reflection, reading and comprehension, and a curiosity about the world in children ages 8 to 12.

Written by a team of Canadian professionals, these books comprise high-interest topics and motivational content relevant to 21st century scientific knowledge. They also encourage kids to love reading!

The books engage with topics in physics, astronomy, biology, chemistry, environmental studies, and earth sciences. Complete with thought-provoking questions and activities, this series is bound to encourage a keen interest in science and environmental awareness while also practicing reading and comprehension abilities.

Each engaging story is followed by:

- Glossary + word activity
- Fun facts about the topic
- Science/research prompt
- Comprehension quiz

Grandma and Grandpa's Adventures

978-1-77205-674-7

978-1-77205-675-4

Grandma and Grandpa are always up for some fun! However, they often manage to get into trouble. The Grandma and Grandpa's Adventures series explores the lifelike journeys of clumsy, lovable Grandpa and confident Grandma.

In the book **On the Road**, you'll follow two grandparents who are eager to visit their grandchildren on a road trip that proves to be far more difficult than planned. In the book **In the Wild**, the grandparents go camping with their grandchildren. Sometimes, children know a lot more than adults—especially silly ones like Grandma and Grandpa, who gets sprayed by a skunk!

These hilarious and touching stories about family are the perfect read for ages 6 to 10, especially now that most of us can get together safely. The adventures of Grandpa and Grandma will certainly entertain both children and grown-ups!

8" x 8" 36 pages \$12.95/each

About the Author

Esther Murris

Esther was born in Hungary, from a Hungarian mother and a French father. She has a Master's degree in French literature and a Bachelor's degree in translation. After living in several European countries for her studies and work, she has recently moved to Calgary, Canada, where she lives with her husband and son. The inspiration for her Grandma and Grandpa's Adventures series came from having her parents live far away and struggle to come visit their grandson.

One Story A Day by Kids for Kids is an anthology of our 2022 children's story writing contest winners. With 350 submissions by first to sixth graders from British Columbia to Newfoundland and Labrador, we were thrilled to see so many aspiring authors send us the fruits of their labours. Now, we have the pleasure of sharing our 32 favourite stories with the world in an illustrated book!
