

1. Dance with Me

Hippity, hippity, hop, hop, hop,
That's the way rabbits walk.

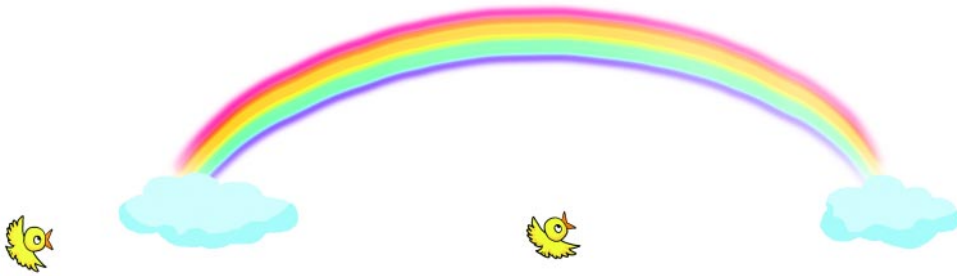

Way up high, in the clear blue sky,
That's the way songbirds fly.

Deep in the water, swish, swish, swish,
Swim, swim, swim, that's the way of the fish.

Fly in the sky, swim in the sea,
Walk on the ground and dance with me!
