

# 17. Dandelion

On the grassland wind blows.  
Dandelion has her dream.  
All her seeds like parachutes.  
They fly into the sky.

Over hill and over land,  
In the sky her seeds sail.  
To go to their new home,  
Dandelion is not alone.

## 课堂 A B C

- Listen to this song, then talk about what is happening in the song. What is a parachute? Have you seen the seeds of a dandelion blowing on the air?
- "This is a pretty song. As we listen to it, we should easily see a picture in our minds."
- The students use the song as a guide for their pictures. They draw, paint and colour their pictures. Post them in the classroom.
