

8. My Country

My country is my heart and soul,
The place where I was born.
It's the land that I truly love,
And it makes me feel so warm.

It's the land of real dreams
From north to south and west.
It's the country of my mom and dad,
The place I love the best.

Chorus

When I grow up,
I'll travel far and wide.
I'll see the world,
But my country is inside.

My country is the future.
It's where I want to stay.
It's the land of hope and dreams.
And I feel it every day.

Repeat Chorus

My Country

My country is my heart and soul, the place where I was born. It's the land that I truly love, and it makes me feel so warm. It's the land of real dreams from north to south and west. It's the country of my mom and dad, the place I love the best. When I grow up, I'll travel far and wide. I'll see the world, but my country is in-side. My country is the future. It's where I want to stay. It's the land of hope and dreams, and I feel it every day. When I grow up, I'll travel far and wide. I'll see the world, but my country is in-side.
