

## 9. Favourite Things

Here are a few of my favourite things:  
Movies and fishing and bees that don't sting.  
Singing and laughing, I love swimming too.  
These are my favourites — how about you?

### Chorus

Favourite things, favourite things,  
My favourite things.

School is a favourite, reading is too.  
Red is my colour, but I don't like blue.  
Breakfast and lunch, supper at five.  
Runners that run, and drivers that drive.

### Repeat Chorus
