

## 5. Let's Go for a Skate

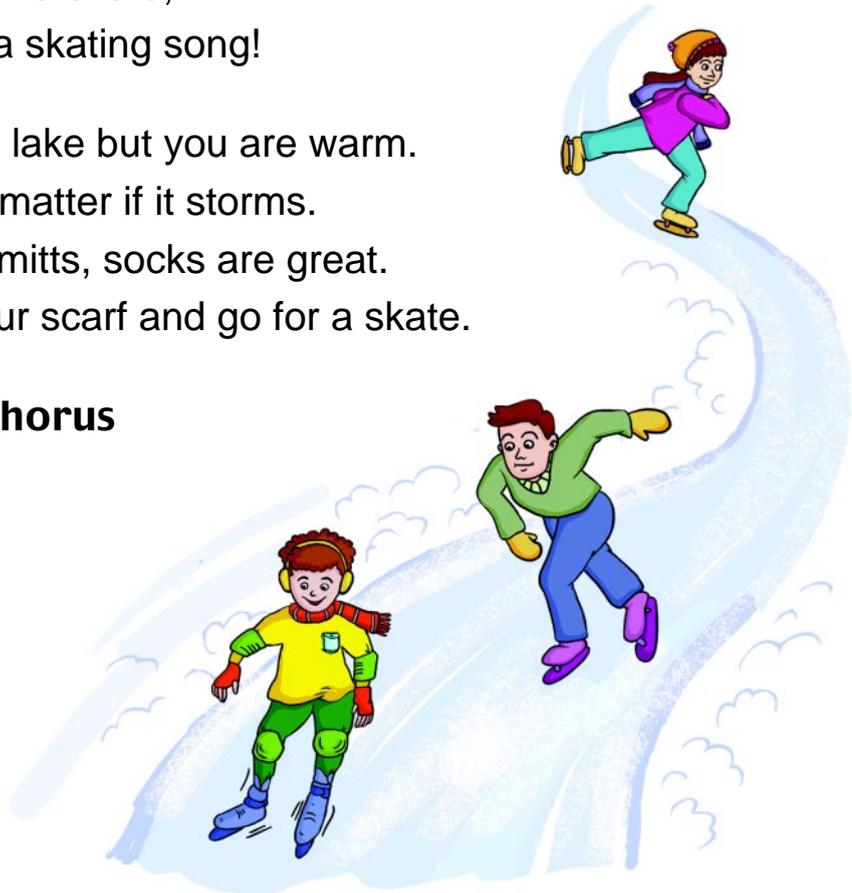

Snow flakes falling from the sky,  
Wear warm clothes when you're outside.  
Don't be afraid of winter snow.  
And don't be afraid when the cold winds blow.

### Chorus

Let's go for a skate!  
Let's go all day long!  
Let's go for a skate,  
And sing a skating song!

Ice on the lake but you are warm.  
It doesn't matter if it storms.  
Hats and mitts, socks are great.  
Put on your scarf and go for a skate.

### Repeat Chorus
