

## 9. The Clothes We Wear

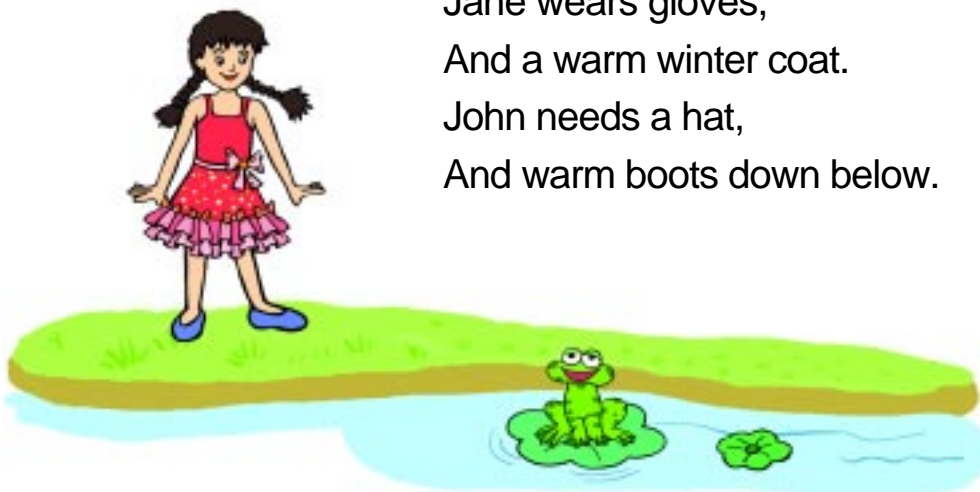

It's summer, yes, it's summer,  
And the weather's pretty hot.  
Here's what we wear.  
We like these clothes a lot.

Jane wears a blouse,  
And a cool pink skirt.  
John dresses up  
In a new white shirt.

It's winter, yes, it's winter,  
And the cold winds blow.  
Here is what we wear  
When the days are filled with snow.

Jane wears gloves,  
And a warm winter coat.  
John needs a hat,  
And warm boots down below.
